Working Draft Technical Memorandum for Operable Unit No. 11

Autar Rampertaap, Chief, Rocky Flats Branch, EM-453, HQ

Attached for your review is a Working Draft Technical Memorandum for Rocky Flats Operable Unit No. 11 (OU-11). This document proposes a new Field Sampling Plan and new Data Quality Objectives for OU-11. Using this document as a vehicle, ERD/RFO proposes to streamline the OU-11 investigation, fill in data gaps and, hopefully, arrive at a no action record of decision on an accelerated schedule, while revising existing Interagency Agreement Table 6 milestones.

Please return comments to Bob Birk by close of business, Friday, December 17, 1993. A copy is being concurrently sent to Bob Magee at HAZWRAP via overnight mail.

If you have any questions, please call Bob Birk at (303) 966-5921.

Richard J. Schassburger
Acting Deputy Assistant Manager
for Environmental Restoration
